The quantity of the estimated production, which has a tolerance percentage of +/-10%, will be paid off with its register of the sale documents at the attached table. The latter will be filled in and signed by the producer as well as by the Audit & Certification Organization at the end of the validity period of this certification.

In case the produced quantity exceeds the estimated production by an additional +10%, a complementary certification is issued upon request of the interested party.

The present certification belongs to the Audit & Certification Organization bearing the name **OXYGONO – HELLENIC CERTIFICATION BODY** and is returned to it immediately, if asked.

Issued on **07/04/2016**, with protocol number **160407006** and is valid until **06/04/2017**.

* In place of the document with reference number. 150520004
